

Pledge Form

Dear Miraloma families and supporters:

Welcome to another fun and exciting Miraloma Spring Read-a-thon. The read-a-thon fosters positive reading habits, promotes literacy and financially supports our school's Art curriculum.

The Miraloma Arts Programs interactively engages our children in the process of writing, editing, publishing and performing the written word. A key component of our program is the art workshops in music, dance, poetry and visual arts. These workshops help our children recognize the value of their own imaginations as an essential tool for learning, thinking and connecting with the world around them. With the Read-a-thon, our children **READ** for **ART!**

Your financial pledge supports a Miraloma student to grow more literate and creative. Every pledge counts, no matter how small. Thank you for your support!

Sincerely,
The Miraloma School PTA
