Dear Miraloma Families,

Three years ago on March 19th, I received my enrollment letter from SFUSD on where my student would spend the next 6 years. I opened the envelope and read with great relief and excitement - - Miraloma Elementary School. I know many of you share my sentiment of feeling like I just won the lottery.

With Thanksgiving upon us, I wanted to take a moment of your time to give thanks for being beneficiaries of such a remarkable, highly sought after elementary school. Everyday Miraloma is changing lives through the gift of education.

“Miraloma For The Kids”, MFTK, is our direct giving campaign; it is a critical tool that helps us bridge the \$200,000 funding gap between what the Miraloma program offers our students and the state funds we actually receive. Among many things, the “MFTK” fund helps Miraloma keep its class size down, gives our students exposure to various arts and sports programs, individual tutoring and counseling, a library and robust science and technology programming.

Our school needs to raise \$571 per student for our budget to remain intact. We are hoping to have 100% participation this year for the annual fund.

"Any time you have a significant number of people making gifts of any denomination in support of a shared mission, that creates an impact." Ron Machado, Principal, Miraloma Elementary.

Please know that every donation, no matter what size, does make a difference and helps us continue to be the unique school that offers the programs, strong community and activities that probably brought you to its doors.

All students feel the impact of our fund drive daily. You can help by using the attached envelope or by going to www.miralomasf.com to make your meaningful gift to the MFTK 2009-2010 annual drive.

Thank you for helping us to keep Miraloma a wonderful and enriching place for our students.
