

Ed Wilkins, Director Student Nutrition Services

Dear Parents/Guardians:

A new computer Point of Sale system was installed in the cafeteria at your child's school that makes it very easy to prepay!

**MealpayPlus.com! Pre-payment of Meals**

If your child pays full price for school meals, you are urged to pay for lunch and/or breakfast ahead of time – by the week or by the month, for example. This improves efficiency, speeds up the cafeteria lines and lets the cafeteria workers give their full attention to serving meals. **You may now pay online by credit card, debit card or electronic check by going to [www.mealpayplus.com](http://www.mealpayplus.com) and setting up an account using your child's SFUSD H0 number.** If you choose to pay by cash or check, please use the form below, put the cash or check in an envelope and have your child return it to his/her teacher or the cafeteria manager. The check must be made payable to *Student Nutrition Services*. 841 Ellis St. SF CA 94109. Be sure to write your child's name and school on the check. Also, please be sure you have submitted a Meal Application so all eligible students have their meals covered by the National School Lunch Program. The form is available at the school office.

Please feel free to call me or your school's Principal if you have any questions.

Respectfully,  
Ed Wilkins, Director & Zetta Reicker Assistant Director, 415-749-3604
