September 2011

Dear Miraloma Families,

Welcome back to school! We are having a wonderful start to this school year. Our staff is hard at work engaging your children in challenging instruction designed to promote student achievement at every grade level.

The Miraloma PTA is dedicated to preserving current programs that build community and challenge our students. At Miraloma, we strive to ensure that all children will benefit from special literacy, art and science programs. This year, some of the programs that the PTA has committed to funding are art, garden, computer, library, drama, rhythms, movement and after school tutoring. These programs contribute to the development of the whole child at Miraloma School. The PTA also continues to support our teachers' commitment to their profession, and to our students, by paying for extra professional development. They also fully fund the University of San Francisco Child and Family Counselors. On top of all of that, the PTA provides funding for a 3-day-a-week Literacy Specialist!

Successful fundraising allows us to keep these programs. I am writing today to ask you to help our community continue the magic that the teachers, staff and children perform every day. This year the PTA would like to again sponsor the Miraloma Fun Run. This fun and exciting event combines fitness, community building and creativity to produce a wonderful fundraising opportunity that will help ensure that all of these programs are available to our students, teachers and staff.

Personally, my favorite part about this fundraiser is that it involves the children. I have found that the events that involve the students of Miraloma are the ones that prove to be the most exciting and meaningful. I ask that each of you consider taking this opportunity to involve your child(ren) in helping to make a positive difference in their own education. With a little effort and a lot of fun, I know that the Fun Run will be an amazing event!!! I look forward to seeing you there.

Sincerely,

A handwritten signature in black ink that reads "Ron Machado". The signature is written in a cursive style.
