Town Hall Meeting**

Enough is enough! San Francisco Unified School District is forecasting state budget cuts of 10%-20% for the 2010-2011 school year. It is imperative that we find real short and long-term solutions to this **unprecedented budget crisis!**

Join a coalition of parents and city organizations in a discussion moderated by **Michael Krasny**, host of KQED's Forum, with event panelists:

- **Mark Leno**, Calif. State Senator
- **Fiona Ma**, Calif. State Assembly
- **Tom Ammiano**, Calif. State Assembly
- **Carlos Garcia**, SFUSD Superintendent
- **Debbie Look**, Ca. State PTA
- **Jim Lazarus**, SF Chamber of Commerce
- Business, education & non-profits leaders

The dialog will focus on:

- Creative funding solutions to pending budget cuts
- Smarter longer-term budget reform
- Local and state-wide parental advocacy efforts
